- Determination
- Reliability
- Integrity
- Faith
- Cheerful

A Little About Me

Since before I can remember, I've given the tasks ahead of me my full attention and devotion. Through earning my Eagle Scout and starting a business in high school, I've assumed leadership roles and learned countless tricks of the trade that make me a valuable asset to any team. Through college, I dedicated myself towards specializing in cinematography for films and have loved the process. I'm a team player and a hard worker ready for any challenge.
